

# Sidewall Registers

New and Improved Design!

hartandcooley.com  
800-433-6341

**Our sidewall registers now feature a new, riveted design providing the ultimate combination of aesthetics and robust construction.**

- Tighter tolerances for smooth movement of the valve and shutters.
- A new, larger slider provides an easy, ergonomic grip for smoother operation.
- Featuring new matte finish white e-coated paint.

**Available Models:** 301, 302, 303, 304, 631, 661, 664, 681, 682, 683, 684

Updated submittals can be found at [hartandcooley.com](http://hartandcooley.com)

**Call for more information!**

\*The **NEW** design is indicated on the product label with a black circle. ●
